

## **Covid Related Protocols for event weekend:**

### **Advance Packet Pick-up**

- Please consider picking up your race bib and swag in advance of race day.
- Masks will be required by staff, volunteers, and participants.
- Regular cleaning and sanitization of common surfaces.
- Social distancing if lines form.

### **Event Day**

- Limits on the total number of participants
- Participants are encouraged to arrive no more than 15-30 minutes prior to their chosen start time (unless they need to pickup race bib and swag).
- Face coverings/masks required for staff, volunteers, and participants
  - Masks can be removed upon crossing the start line and should be put back on soon after crossing the finish line.
- Limited packet pickup and **NO walk-up registration**
- Start waves to ensure social distancing. Waves will be
  - limited in size
  - corralled in smaller groups of 25
  - each group of 25 will be started in a rolling wave fashion
- For 5K courses – **no on-course aid stations** in order to minimize contact between participants, staff, and volunteers.
- Regular cleaning and sanitizing of common touchpoints
- Use of sealed water bottles at the finish line
- Awards will be based on chip time (due to time trial style start)

### **Additional requirements or expectations**

- Participants feeling sick should stay home, PLEASE
- Coughs or sneezes should be covered
- Hands should be washed and/or sanitized regularly
- Spectators are strongly discouraged. Spectators that must be in attendance are required to wear facial coverings AND maintain social distancing at all times.
- No gathering with people outside of your household/"bubble"
- Results will be posted online only ([www.halsports.net](http://www.halsports.net)), no paper results will be posted on-site
- All participants (ages 18+) must sign a COVID-19 social contract/agreement. If not signed electronically during online registration, it will be presented and required at bib pickup.
